

## ACLCA NSW ACHIEVER AWARD 2023

Calling all early career professionals!

ACLCA NSW would like to give you the opportunity to present at our annual Achiever Award event. Do you have a contaminated land issue you are passionate about? Or an interesting project you have been involved in?

Submit your abstract using the guidelines provided\* by **Fri. 30<sup>th</sup> June**.

**Four** abstracts will be chosen for presentation to our members and the judging panel at the Achiever Award presentation night on **Wed. 26<sup>th</sup> July**, kindly hosted by WSP.

We are considering the option of virtual presentations for our members outside Sydney. Please contact us if you are interested in this.

Abstracts & presentations will be judged on slightly different criteria (full details in the abstract submission guidelines), but generally on:

**PROJECT** – how it advanced your knowledge, describes how outcomes were reached for the client.

**PERSONAL INVOLVEMENT** – personal role & value-add to the project, lessons learnt from the project and how it has influenced your career.

**PRESENTATION** – eye contact, confidence, clarity.

Achiever Award winner receives up to **\$2000** to attend and present at EcoForum 2023 representing ACLCA NSW at the ECP session on 10/10/23.
